MARYLAND GAZETTE,

Containing the freſheſt Advices foreign and domeſtic.

THURSDAY, *May* 11, 1758.

At a SESSION of ASSEMBLY, held for this Province in *March* 1733, was made the following *Supplementary Act, to the Act for the Ordering and Regulating the Militia of this Province, for the better Defence and Security thereof.*

WHEREAS the Dominion of his Majeſty, the Government of his Lordſhip, and the Properties of the Inhabitants of this Province, ought to be guarded with ſuch ready [illegible] fence, as might be able to reſiſt any ſudden Invaſion, or Hoſtile Attempt: And whereas the ſeveral Proviſions hitherto intended by the Legiſlature of this Province, as well as the ſeveral Sums of Money laid out in the Purchaſe of Arms and Ammunition, for thoſe Purpoſes, have not had the deſired Effects, in a proper Regulation of the Militia of this Province, by Reaſon of ſome Defects in the Laws already made:

BE it therefore Enacted, by the Right Honourable the Lord Proprietary, by and with the Advice and Conſent of the Upper and Lower Houſes of Aſſembly, and the Authority of the ſame, That any Colonel, Lieutenant-Colonel, or Major, already commiſſioned, or hereafter to be commiſſioned, by the Governor or Commander in Chief, for the Time being, or any Two, or more of them, ſhall have the ſame Powers and Authorities, in the Execution of any Laws now in Force concerning the Militia, as the Colonel, Lieutenant-Colonel, or Major, intended by the ſaid Laws, are inveſted with: *Provided*, the Number of ſuch Officers who ſhall at any Time act, or excute any Part of the ſaid Laws, be the ſame as is directed for ſuch Purpoſes, by the ſaid Laws.

AND be it further Enacted, by the Authority aforeſaid, That his Excellency the Governor or Commander in Chief, for the Time being, ſhall and may, at any Time or Times, as to him ſhall ſeem meet, cauſe or ordered to be delivered out of the Public, or County Magazine or Store, ſuch and ſo many Arms as to him ſhall ſeem proper, to the Colonel of each County, and the Captain of every Company, within any Town or Corporation of this Province: For which ſaid Arms, the ſaid Colonel and Captain ſhall give his and their Receipt and Receipts; which ſaid Receipt and Receipts ſhall be recorded in the Council-Book of this Province; and the Record thereof allowed as good Evidence againſt ſuch Colonel or Captain; and ſhall account with and be anſwerable to the Governor or Commander in Chief, for the Time being, from Time to Time, for the ſame, or the Value thereof, or of ſo many as ſhall not be produced to his Excellency the Governor or Commander in Chief, for the Time being, or to ſuch Perſon or Perſons as ſhall be appointed by the Governor or Commander in Chief for the Time being, for ſuch Purpoſe, when he or they ſhall demand the ſame, in as good Order and Condition as they ought to be: Which Condition and Value, ſhall and may be adjudged and determined by his Excellency the Governor, or Commander in Chief, for the Time being, or by ſuch Perſon or Perſons as ſhall be appointed by the Governor or Commander in Chief, for that Purpoſe: Which Value, being ſo determined, ſuch Colonel ſhall pay to his Excellency the Governor, or Commander in Chief, for the Time being, or to ſuch Perſon or Perſons as ſhall be appointed by the Governor or Commander in Chief for that Purpoſe; to and for the Purchaſe of Arms, and Ammunition, for the Uſe of the Regiment or Regiments in the reſpective County to which the ſaid Colonel belongs. And upon the Neglect or Refuſal of ſuch Colonel or Captain, to pay ſuch Value, it ſhall and may be lawful, to and for his ſaid Excellency, or Commander in Chief, or ſuch Perſon or Perſons as ſhall be appointed by the Governor or Commander in Chief, for that Purpoſe, to certify ſuch Neglect and Refuſal under his or their Hands, to the Clerk of the reſpective County, and require the ſame Clerk to iſſue an Execution for ſuch Value, againſt the Body, Goods, or Chattels, of ſuch Colonel or Captain: Upon which Certificate, ſuch Clerk is hereby ordered, to iſſue an Execution accordingly, directed to the Sheriff of the ſaid County, or Coroner thereof, if the ſaid Colonel or Captain ſhould be the Sheriff thereof at that Time, to levy the Sum amounting to ſuch Value, on the Body, Goods, or Chattels, of ſuch Colonel or Captain; which ſaid Execution the Sheriff, or Coroner, of each reſpective County is hereby directed and required to ſerve and execute: And the Money which ſhall be paid to the ſaid Sheriff, or Coroner thereon, he, [illegible] ſaid Sheriff or Coroner, ſhall deliver and pay, [illegible]ce in every Year, to his Excellency the Governor or Commander in Chief, for the Time being, for the Uſes aforeſaid. And if the ſaid Sheriff, or Coroner, ſhall, by Virtue of ſuch Execution, execute or ſeize any Goods of ſuch Colonel or Captain, then the ſaid Sheriff or Coroner, ſhall forthwith cauſe the ſame to be appraiſed by Two Appraiſers, to be ſworn before one Juſtice of the Peace of the ſame County, to appraiſe the ſame, according to the beſt of their Knowledge; which ſaid Goods ſhall, after ſuch Appraiſement, be ſold by the Sheriff, or Coroner, at a Public Auction, to the beſt Bidder: And the Value, for which they were ſo taken in Execution, ſhall be paid, once in every Year, by the ſaid Sheriff, or Coroner, to his Excellency the Governor or Commander in Chief, for the Time being, for the Uſes aforeſaid; and the Remainder (if any) returned to the Owner of ſuch Goods.

AND, in Order that ſuch Colonel who ſhall or may be obliged to be anſwerable, as aforeſaid, may have a Recompence for Arms ſpoilt or loſt, as aforeſaid, by the Fault or Negligence of any other than himſelf,

BE it Enacted, by the Authority aforeſaid, That it ſhall and may be lawful, to and for every Colonel of a County to deliver, or cauſe to be delivered, to every Lieutenant-Colonel, Major, or Captain, who may have a Troop or Company in his County, ſo many Arms as may be neceſſary and proper for ſuch and ſo many Men as he ſhall think fit, in his the ſaid Colonels, Lieutenant-Colonels, Majors, or Captains Troop or Company; and ſhall take a Receipt from every Lieutenant-Colonel, Major, or Captain, for ſuch Arms: And for which Arms, or any Part thereof, every reſpective Lieutenant-Colonel, Major, or Captain, ſhall be accountable to the Value thereof; to be ſet and rated by his Excellency the Governor or Commander in Chief for the Time being, or by ſuch Perſon or Perſons, as ſhall or may be appointed by the Governor or Commander in Chief, for ſuch Purpoſes, as aforeſaid, to the Colonel of the ſaid County; in caſe the ſaid Arms, or any Part thereof, ſhall not be produced in ſuch Order or Condition as they ought to be, to the ſaid Colonel, when the ſame ſhall be demanded and required: And which ſaid Condition and Order, ſhall be determined by his Excellency the Governor or Commander in Chief, for the Time being, or ſome Perſon authorized by him; and the Value thereof certified by the ſaid Governor or Commander in Chief, or by ſuch Perſon or Perſons as ſhall be appointed by the Governor or Commander in Chief, for that Purpoſe, to the County Clerk as aforeſaid, requiring him to iſſue ſuch Execution, as aforeſaid, and directed to the Coroner, (if the ſaid Lieutenant-Colonel, Major, or Captain, ſhould be Sheriff) otherwiſe, to the Sheriff, as aforeſaid, for the Uſe of ſuch Colonel, againſt the Body, Goods, and Chattels, of the Lieutenant-Colonel, Major, or Captain, who cannot produce ſuch Arms, as aforeſaid; which Execution ſhall iſſue, and be executed, as aforeſaid, and the Money ariſing thereby, ſhall be paid to the Colonel of the County, for his own Uſe.

AND, in order that every Colonel, Lieutenant-Colonel, or Major, who may have a Troop or Company in the Regiment, and every Captain either of a Troop of Horſe, or a Company of Foot, may be indemnified for what may happen in the Loſs or Damage of the Arms, by Fault or Negligence of the Men in their reſpective Troop or Company,

BE it Enacted, by the Authority aforeſaid, That it ſhall and may be lawful, to and for every Colonel, Lieutenant-Colonel, Major, and Captain, who may have a Troop, or Company, as aforeſaid, to deliver, or cauſe to be delivered, to ſuch and ſo many Perſon and Perſons, who are or ſhall be inliſted or inrolled in his or their Troop or Company, within this Province, ſuch Arms as the reſpective Colonel, Lieutenant-Colonel, Major, or Captain, ſhall think proper, for ſuch Perſon or Perſons in his reſpective Troop or Company to have: And which Arms ſuch Perſon or Perſons are hereby obliged and directed to receive; and to give a Receipt for the ſame, to ſuch Lieutenant-Colonel, Major, or Captain, under Penalty of Two Hundred Pounds of Tobacco; which ſaid Penalty ſhall be recovered againſt ſuch Perſon or Perſons.

AND ſuch Execution ſhall be iſſued by the Clerk of the reſpective County, on the Certificate of the reſpective Colonel, Lieutenant-Colonel, Major, or Captain, certifying the Refuſal to accept, and give a Receipt for ſuch Arms, as aforeſaid, directed to the Sheriff (or Coroner, if the Perſon refuſing ſhould be Sheriff): And which Execution ſhall be ſerved, and the aforeſaid Sum of Two Hundred Pounds of Tobacco levied by the Sheriff or Coroner of the reſpective County, in Manner as before directed; and ſuch Sum, when levied, ſhall be paid, once in every Year, to the Governor or Commander in Chief, for the Time being, for the Uſes aforementioned. And in caſe ſuch Perſon or Perſons cannot produce ſuch Arms ſo received, in as good Order and Condition as they ought to be, when he or they ſhall be required, by the reſpective Colonel, Lieutenant-Colonel, Major, or Captain, who may have a Troop or Company, as aforeſaid, then it ſhall and may be lawful, for his Excellency the Governor, or Commander in Chief, for the Time being, or ſome Perſon authorized by him, upon Application to him made, by ſuch Colonel, Lieutenant-Colonel, Major, or Captain, to aſſeſs and value ſuch Arms, ſo not produced: Which Valuation ſhall be certified by his Excellency the Governor, or Commander in Chief, for the Time being, or ſuch Perſon as ſhall be appointed by the Governor or Commander in Chief for that Purpoſe, to the Clerk of the reſpective County, directing him to iſſue an Execution for ſuch Value, againſt the Body, Goods or Chattels of ſuch Perſon or Perſons, not producing the Arms, as aforeſaid, to the Colonel, Lieutenant-Colonel, Major, or Captain, for the proper Uſe of ſuch Colonel, Lieutenant-Colonel, Major, or Captain: Which Execution ſhall be directed to the Sheriff, or Coroner, if ſuch Perſon ſhall be Sheriff, and ſhall be executed; and the Value levied and raiſed in Manner afore directed, by the Sheriff or Coroner of the reſpective County: and the ſame ſhall be paid to the proper Colonel, Lieutenant-Colonel, Major, or Captain, for his own Uſe and Benefit.

AND whereas there are, and may be, ſeveral Companies in Towns, independent of the Authority or Command of the Colonels of the reſpective County or Counties,

BE it Enacted, by the Authority aforeſaid, That the Captain, Lieutenants, and Enſign, or any Two of them, ſhall have the ſame Powers and Authorities, to execute this, or any other of the Laws now in Force within this Province, relating to the Militia thereof, in and over their Company or Companies, in as full and ample Manner, as the Colonel, Lieutenant-Colonel, or Majors, or any Two of them, can or may do, in and over their

their reſpective Regiments, Troops, or Companies, by Virtue of this or any other Law now in Force.

AND alſo, That the Captain or Captains of ſuch Company or Companies, within ſuch Town or Towns, ſhall receive proper Arms from, and be liable and accountable to, his Excellency the Governor, or Commander in Chief, for the Time being, for ſuch Arms, in the ſame Manner as is before by this Act directed, with Regard to the Colonel: And the Value of the Arms not produced, as aforeſaid, ſhall be ſet, proceeded for, levied and applied, in the ſame Method afore-mentioned in Relation to the Colonel; and the reſpective Men ſhall be liable and accountable to ſuch Captain for ſuch Arms not produced, as aforeſaid, in the ſame Manner as directed by this Law with Regard to the Men in any Troop or Company in the County; and the Value ſhall, in the like Manner, be ſet, proceeded for, and levied; but it ſhall be paid to the Captain, by the reſpective Sheriff, for his own Uſe and Benefit.

AND, to the End that every Perſon ſo inliſted or inrolled, at the Time of their Training Exerciſe, or other Duty in the Militia, may improve, and render themſelves fit for Duty and Service, if Occaſion ſhould require,

BE it Enacted, by the Authority aforeſaid, That every Perſon or Perſons ſo inliſted or inrolled, ſhall, at the Time and Place of Training, and in the Performance of their Exerciſe, behave him or themſelves decently, and in a Manner ſuitable to the Attention and Care requiſite in ſuch Exerciſe, under the Penalty of One Hundred Pounds of Tobacco, or Ten Shillings Current Money, for every ſuch Miſbehaviour; which ſhall be determined by any Two Field Officers of the County, either upon their own View, or Repreſentation of the Commanding Officer then preſent, and certified by ſuch Field Officers, to the Clerk of the ſame County; who ſhall, on ſuch Certificate, iſſue an Execution, directed to the Sheriff (or Coroner, if the offending Perſon ſhall be then Sheriff) to levy ſuch Penalty on the Body, Goods or Chattels of ſuch Perſon or Perſons ſo offending: Which ſaid Sheriff or Coroner ſhall proceed as is afore mentioned, and pay the Penalty ſo levied to the Governor or Commander in Chief, for the Time being, once every Year, for the Uſes afore mentioned.

AND be it further Enacted, by the Authority aforeſaid, by and with the Advice and Conſent aforeſaid, That it ſhall and may be lawful, to and for the Governor or Commander in Chief, for the Time being, and he is hereby deſired, to nominate and appoint ſome fit Perſon or Perſons reſiding in each County, to execute, from Time to Time, ſuch Parts of this Act, as is directed to be executed by any Perſon or Perſons appointed by the Governor, or Commander in Chief.

AND be it further Enacted, That no Servant or Servants ſhall from henceforth continue, or hereafter be inliſted or inrolled, in any Regiment, Company, or Troop, unleſs upon ſuch an Emergency as may be judged neceſſary and proper by the Field Officers of the reſpective County, or the major Part of them, for the inliſting ſuch Servant or Servants; any Act to the contrary, notwithſtanding.

AND be it further Enacted, by the Authority aforeſaid, That the Sheriff, or Coroner, ſhall have and receive Thirty Pounds of Tobacco, for every Execution he ſhall ſerve or execute, by Virtue of this Act, and the uſual Impriſonment Fee, or Fees, due on the Sale of Effects, in Caſe of an Impriſonment, or Sale; and the Clerk ſhall have and receive Six Pounds of Tobacco, for every Execution iſſued by him, in Purſuance of this Law; which ſaid Fees, ſo to be due to the ſaid Sheriff, Coroner, or Clerk, ſhall be levied on the Body, Goods, or Chattels, of the Perſon againſt whom ſuch Execution ſhall iſſue.

AND whereas, there are ſeveral public Arms now lodged in the ſeveral Counties in this Province, which may be in a Condition unfit for Uſe; *Be it further Enacted, by the Authority aforeſaid, by and with the Advice and Conſent aforeſaid*, That the Colonel of each reſpective County, ſhall, as ſoon as conveniently may be, after the Governor, or Commander in Chief, ſhall require the ſame, return to the Governor or Commander in Chief, a Liſt of ſuch Arms which ſuch Colonel can find in his County, together with an Account of the Condition ſuch Arms are in; and for the Reparation, Amendment, or Diſpoſal thereof, the Governor, or Commander in Chief, is hereby deſired to give ſuch Directions, as he may judge moſt proper. And to prevent the Embezzlement of the public Arms,

BE it Enacted, by the Authority aforeſaid, by and with the Advice and Conſent aforeſaid, That all the public Arms ſhall be marked with ſuch Marks, and in ſuch Manner, as the Governor, or Commander in Chief, ſhall think moſt proper, to denote ſuch Arms to belong to the Public; after which Marks ſo made, no Perſon or Perſons whatſoever, ſhall preſume to ſell or purchaſe ſuch Arms ſo marked, or where the Mark appears to have been defaced, or knowing the ſame to be public Arms, under the Penalty of Forty Shillings; to be recovered againſt the Seller; and the like Penalty of Forty Shillings, to be recovered againſt the purchaſer for every Offence, before a ſingle Magiſtrate, upon the Oath of One or more credible Witneſs or Witneſſes: Which ſaid Magiſtrate ſhall iſſue his Warrant to the Clerk of the County, directing him to iſſue an Execution for ſuch Penalty; which Execution he ſhall iſſue, and the Sheriff ſhall ſerve and levy the Penalty, in Manner aforeſaid: Half of which Penalty ſhall be paid to the Informer, for his own Uſe; and the other Half to the Governor or Commander in Chief, for the Uſes aforeſaid.

AND whereas there is not any Exemption, by the Laws now in Force, of any Member of his Lordſhip's Council, and of the Upper Houſe of Aſſembly, *Be it therefore Enacted, by the Authority aforeſaid, by and with the Advice and Conſent aforeſaid*, That no ſuch Member ſhall be obliged to ſerve in the Militia, or be inrolled or inliſted in any Regiment, Troop, or Company thereof; any Law to the contrary, notwithſtanding.

PROVIDED always, That this Act, nor any Thing herein contained, ſhall be conſtrued to charge the Executors or Adminiſtrators of the Colonel, Lieutenant-Colonel, Major, or Captain, dying, for any of the Arms aforeſaid, more than they ſhall have in their Poſſeſſion, or ſhall have received Satisfaction for, from the ſeveral Perſons liable to ſuch Colonel, Lieutenant-Colonel, Major, or Captain, ſo dying: Nor any Colonel, Lieutenant-Colonel, Major, or Captain, ſucceeding any deceaſed Colonel, Lieutenant-Colonel, Major, or Captain, ſhall receive or take in his or their Poſſeſſion, or for more than he or they ſhall take Receipts for, as aforeſaid; but ſuch ſucceeding Colonel, Lieutenant-Colonel, Major, or Captain, ſhall, on the Death of any Colonel, Lieutenant-Colonel, Major, or Captain, immediately warn the reſpective Regiment or Regiments, Companies and Troops, to Muſter, and then take Receipts for ſuch Arms as ſhall then be produced in good Order: The Number thereof, together with the Condition of ſuch Arms as ſhall be loſt, or ſpoiled, as aforeſaid, ſhall by the reſpective Colonel, Lieutenant-Colonel, Major, or Captain, be certified to the Governor or Commander in Chief, within Thirty Days after ſuch Muſter: After which Return of the Certificate aforeſaid, every ſuch Officer ſhall be liable to each other, and the Men to ſuch Officer, as is before directed by this Act: Which Muſter and Return, ſhall be made and had, as aforeſaid, under the Penalty of the Officer neglecting the ſame, being liable for the Value of the Arms delivered to the deceaſed Officer, in whoſe Place he ſhall ſucceed; which Value ſhall be aſcertained, levied, paid, and applied, in the Manner, and to the Uſe afore mentioned.

PROVIDED alſo, That no Officer, nor his Executors or Adminiſtrators, ſhall be liable, by Virtue of this, or any other Act, for ſuch Arms as ſhall be delivered to any Perſon or Perſons, which are or ſhall be inliſted or inrolled in any Troop or Company, and who ſhall, after ſuch Receipt of the ſaid Arms, and before any Satisfaction made to the proper Officer, for the Loſs, Damage, or Embezzlement of ſuch Arms, either prove inſolvent, or run away, or die inſolvent.

LONDON, *February* 2.

IT is eſtimated that not leſs than 12,000 Regulars, beſides thoſe already in America, will be ſent over againſt the Summer Campaign; and that, on the Surrender of Louiſburg, the taking of which is not doubted, the Iſland of Cape-Breton will be put into the Hands of the New-Englanders, with an Allowance from the Government of a certain Sum annually for a ſtipulated Number of Troops, by Way of Garriſon for its Defence.

There have been ſome Hints thrown out, as if the French, inſtead of providing this Year for the Defence of Louiſburg, which they ſay is now impracticable (as our Preparations are in ſo much greater Forwardneſs than theirs) were meditating a Deſcent on ſome Part of Great-Britain or Ireland; and that the Ships of War and Troops which would otherwiſe have been ſent to America, will be employed in this Service.

It is ſaid that the Empreſs Queen has ſent all her Archives to Freſbourg in Hungary, not thinking them ſafe at Vienna.

The Officers belonging to 3000 Hungarian Foot, who paſſed through Toppliwoda, in Sileſia, the laſt Week of December, declared, with Tears in their Eyes, that thoſe were all that were left of Ten Regiments.

February 4. We are credibly informed, that Mr. F——x is himſelf ſo thoroughly convinced of the good Intentions of his Opponent, that he is determined to ſecond his Views for the Honour and Intereſt of his Country with his whole Weight, and endeavouring to bring his whole Party into the ſame Sentiments.

Feb. 18. It is ſaid, the French Court have ſent Orders to M. de la Clue to paſs the Streights, even if he ſhould loſe ſome of his Ships.

It is ſaid that the Proteſtant Cantons of Switzerland have propoſed to furniſh the King of Pruſſia with 40,000 Men for three Years certain, upon Payment of a reaſonable annual Subſidy.

The Ship taken by the Antelope Privateer, and carried into Gibraltar, is ſaid to be worth 30,000l.

And thoſe taken by Admiral Coates are one with another worth 8000l. a-piece.

Feb. 21. Yeſterday one of his Majeſty's Meſſengers arrived at St. James's from Stade, and we hear brings Advice, that a Body of Pruſſian Troops had joined the Hanoverians, and that they had ſurrounded 800 French Huſſars, whom they had made Priſoners.

Admiral Boſcawen ſailed Saturday Noon with Nine Men of War. The Invincible unluckily run on Shore near South Sea Caſtle.

One Article amongſt the French Prize Goods, lately imported, is 208 Groſs of Scalping Knives.

Admiral Boſcawen, with the Men of War under his Command, are put into Plymouth; as is alſo the Lightning Fireſhip, with the Loſs of her Foretop-ſail.

By a Letter from Plymouth we are informed, that Admiral Boſcawen ſailed from thence on Friday laſt, after being joined by the Burford, Prince of Orange, Nottingham, Pembroke, and Lightning Fireſhip.

Extract of a Letter from Portſmouth, dated Feb. 26.

"This Evening Capt. Bentley and his Officers came on Shore! All thoughts of ſaving the Invincible are over. The Men belonging to the Dock-Yard are employed in taking her upper Works to Pieces."

Extract of a Letter from Mr. Thomas Meadows, a Clerk to the Eaſt-India Company, in Bengall, to his Brother in Liverpool.

Calcutta, 22 Aug. 1757.

"Since my laſt, in which I gave you an Account of the taking and retaking this Place, and of my providential Eſcape from the Black Hole, our Affairs are agreeably altered. Colonel Clive with his Army, conſiſting of Sailors and Soldiers, marched towards Muckſhirdebatts, near which Place the Nabob of this Country, with his Army (which was Ten Times bigger than Col. Clive's, with a great many French and Engliſh Deſerters in it) gave him Battle. The Engagement was very hot for about Six Hours, and the Enemy, with his Thouſands, endeavoured to ſurround our ſmall Number, but in vain; for where the Grape and Small Shot went, Lanes were made through them, like Avenues in a Wood, and they were ſo compleatly routed, that we got all their Cannon, &c. The Colonel immediately ſeized the Advantage, and inſtantly purſued them into the Suburbs of the above-mentioned Place, and ſecured our Garriſon, called Coſſimbuzar, which is about three Miles on this Side of it, and had been taken by the Enemy in June. In two or three Days he took the Nabob with moſt of the Headmen Priſoners; though theſe were not many, as great Numbers of them, and the firſt General, were killed in the Engagement. It was a noble and daring Action to march into the Heart of ſo populous a Country, where all the People know the Uſe of Swords, Small Arms, &c. and the Conduct of it is much to the Honour of our good Admiral and Colonel.

They have now placed a Man upon the Throne named Meer Jaffer Ally Cawn, who has ſent down conſiderable Sums of Money to this Place, to repay the Loſſes occaſioned by the Attack of the former Nabob, which we expect to receive the next Month, as it is adverti[illegible] by the Commiſſioners appointed for that Purpoſe, who have a Power to curtail ſuch Accounts as appear to be unjuſt. This Nabob has given more Lands to the Company than ever they had before, and granted them great Privileges.

The former Nabob, after he was taken, was beheaded by a Son of the preſent Nabob; a Cuſtom uſed in ſuch Caſes, by theſe Nations.

Admiral Watſon died here greatly lamented, on the

the 16th Inſtant, and was buried as well as the Place would admit of. Admiral Pocock is well, and I hope will continue ſo, for the Benefit of our Nation.

Captain Bowyer, an Engineer, is arrived here from Madraſs, and I believe will put this Place in a better Poſture of Defence. The Fort is already repaired. We have Advice from the Coaſt of Coromandel, that Monſieur Buſſee has taken Vizagapatam, one of our ſmall Settlements; but it is a Place of no great Note, and can eaſily be taken again; and as the Goods were firſt brought away to this Place, and to Madraſs, it is no great Loſs."

March 4. The Government has received an Account, that the Hanoverians have taken Verden; and had alſo cut off the Communication between the French at Bremen, and the main Army, and were making all the neceſſary Preparations to bombard the French at Bremen.

By Letters from the Weſt Coaſt of France we learn, that ſeven Captains, and many other Officers, and ſome Thouſands of the common Seamen, have died of the Diſtemper that prevailed in the Fleet before it left Louiſburg; and that the principal Inhabitants have quitted the Town, and gone at ſome Diſtance into the Country.

It is now certainly known, that the King of Pruſſia has demanded a Supply of 12,000 Britiſh Troops; and that he has actually rejected an Offer of an Equivalent in Money for 15,000: The M——y therefore is much embarraſſed, as the Compliment of Seamen for the Service of the Navy is not yet complete, and as it is thought impolitic to provide for the Safety of the Continent, before the Britiſh Dominions are put out of Danger.

Letters from the Eaſt-Indies, by the Walpole, juſt arrived, bring an Account, that Capt. William James, in the Eaſt-India Company's Ship the Revenge, has taken a large French Ship on the Malabar Coaſt, reckoned very rich, the French having offered to give 100,000 Rupees for her Ranſom.

Whitehall, March 6. This Morning, at Three o'Clock, arrived here, by the Way of Holland, a Courier, which brings the following Account,

That after Prince Ferdinand of Brunſwick had diſlodged the French from Rottenbourg, Otterſberg and Verden, and approached with his advanced Guard to the City of Bremen, the French had left it on the 23d of February, and his ſerene Highneſs had taken Poſſeſſion of it with his Troops. The Prince, upon receiving Intelligence that the French General Comte de Chabot was poſted with a conſiderable Detachment at Hoya upon the Weſer, gave Orders to the hereditary Prince of Brunſwick to repair thither with two Battalions of Hanoverians, and two of the Brunſwick Troops, together with a few Hundred Chaſſeurs, Huſſars and Light Troops, in order to diſlodge the French from that Poſt. The hereditary Prince accordingly made ſo brave an Attack upon them there, that, after a vigorous Defence, and the Loſs of a Number of Men, on their Part, he forced them, with Bayonets fixed, to ſurrender, and made between fourteen and fifteen Hundred Men Priſoners of War. Hereupon the Comte de Chabot threw himſelf, with two other Battalions, into the Caſtle, with an Intent to ſupport himſelf there; and the hereditary Prince, not having been hitherto able, on Account of the Overflowings of the Rivers, and the Badneſs of the Roads, to receive the Artillery required for forcing the French General there likewiſe, granted him a Capitulation to go out of the Place with his two Battalions, but upon Condition of leaving behind him all their Baggage and Magazines. The Loſs on our Side is inconſiderable, and does not amount upon the Whole, both of the Killed and Wounded, to an Hundred Men.

The Pruſſian Huſſars of the advanced Guard, having received Information, that a great Number of French Huſſars of Polereſky's Regiment was at Nord Drebber, determined to drive them from thence; which Reſolution they executed ſo ſucceſsfully, that after the Slaughter of three Officers and fifty Huſſars, they made the Colonel Polereſky (who is dangerouſly wounded) with two Captains, two Lieutenants, and an Hundred and Thirty Huſſars, Priſoners of War, and took beſides Ten Standards, a Pair of Kettle-Drums, and Three Hundred Horſes.

The two Generals, the Marquis D'Armentieres, and the Marquis de Rochepine, together with the Garriſon, evacuated the Town of Zell on the 26th of February; as the Prince de Clermont, and the Duke de Randan, did Hanover on the 28th, obſerving good Diſcipline, and without the leaſt Plunder.

We hear likewiſe, that the French have quitted Brunſwick, Caſſel, Gottingen, Hamelen, Neinburg, &c. the Particulars whereof are ſtill expected. Their Plan at preſent, ſeems to be to retire towards Munſter, Paderborn, and Oſnabrug: But as Prince Ferdinand follows them cloſely with all imaginable Expedition, he will probably ſurprize ſome of their Detachments on their March, before they arrive at the Place of their Deſtination.

March 7. By Letters from the Weſt Coaſt of France, we are aſſured, that 3 Men of War and 40 Tranſports departed the Day after Admiral Boſcawen ſailed from Plymouth Sound; It is therefore not unlikely they may fall in with each other, as it is ſuppoſed both Fleets are deſtined for the ſame Place: Or ſhould the French get the Start of Admiral Boſcawen, they will probably meet with Sir Charles Hardy, who is cruizing off Louiſburg with Eight Sail of the Line.

There is Advice, that two Ships of the Line, and a Frigate, with 50 Tranſports, ſailed from Breſt (ſome ſay Port l'Orient) the 24th of laſt Month: Two of our Privateers fell in with them, and were chaced ſome Hours, but got clear off.

We have an Account that Admiral Oſborne has taken two French Men of War, and ſunk one.

BOSTON, *April* 24.

By a Letter from Halifax, we learn, That on the 8th Inſtant, the Juno Frigate, with ſeveral of the Tranſports which came out under the Convoy of the Prince Frederick and Juno, arrived there that Day: That one of the Tranſports foundered at Sea, the People were taken on board the Juno.

Capt. Junkins in 4 Days from Halifax arrived here laſt Saturday, and informs, That all the Men of War and Frigates (except the Prince Frederick, which was fitting out with all poſſible Diſpatch) are cruizing before Louiſburg, and daily expecting the Arrival of Admiral Boſcawen:——That Captain Rous had taken a large French Veſſel of 16 Guns, bound to Cape-Breton from Breſt, with Ordnance Stores; which gave him an Account, that a large French Store Ship was confined in the Ice, which he went in Queſt of:——That the Boreas Frigate had taken a French Brig of 14 Guns, together with a Prize which ſhe retook bound to New-York, upwards of 500 Tons, ſaid to be loaded with Proviſions; the Brig was coming from Martinico to be fitted out at Louiſburg, in order to cruize upon our Coaſts.——It was rumoured that Capt. Rous, in the Sutherland, went to the Mouth of the Harbour, hoiſted French Colours, and fired for a Pilot, when two came out, which he took, and they gave an Account that the ſpotted Fever rages violently among the Troops, and that Proviſions were ſo ſcarce, that they had begun to kill their Horſes for want thereof:——And that the Priſoners taken on board the Veſſel from Breſt, reported that a large Fleet of Men of War were to ſail for Louiſburg in a few Days after them. It is alſo rumoured that there were but 3 Frigates in the Harbour.

PHILADELPHIA, *May* 4.

In a Letter from Halifax, dated April 16, it is ſaid that 15 Sail of the Line, and 6 Frigates, were ready to ſail for Louiſburg from Breſt; alſo four Sail of the Line from Rocheſort for the ſame Place. This Information they had from a Perſon lately taken in a Veſſel bound to Louiſburg from Breſt.

ANNAPOLIS, *May* 11.

Laſt Friday Night, the Ship *Unity*, Capt. *Joſeph Richardſon*, then lying at *Baltimore-Town*, by ſome Accident took Fire in the Fore-Caſtle, and got to ſuch Head before it was diſcovered, that ſhe burnt down to the Water's Edge, and the People with much Difficulty ſaved the Captain's Papers, and narrowly eſcaped with their own Lives.

On the 28th of *April*, Died in *Prince-George's* County, aged 67 Years, the Reverend Mr. JOHN ORME, many Years Paſtor of a Diſſenting Congregation at *Upper-Marlborough*, whoſe exemplary Life and Converſation gain'd him the general Eſteem of People of all Denominations.
